

TECHNICAL DATA SHEET

Alizé Foaming Hand Soap

Dermatologically Tested Foaming Hand Soap

Code 9126

DESCRIPTION

Thoughtfully formulated with plant-derived ingredients, Alizé foaming hand soap leaves your hands feeling soft and safe, with a light green tea scent that is luxurious. Biodegradable and dermatologically tested, Alizé foaming hand soap is kind to both your skin and the environment.

FEATURES

- Dermatologically tested – kind to sensitive skin
- Unique foaming technology – resulting in less water usage onboard aircraft
- Formulation includes plant-derived ingredients
- Free from the following
 - BHT
 - EDTA
 - Coal tar dyes
 - Triclosan
 - Formaldehyde
 - Ethanolamine compounds
 - PEG compounds
 - Siloxanes
 - SLES / SLS
 - Parabens
 - Palm oils
- Bottle also available in black pump and black screw base (MOQ required)

APPLICATIONS

Alizé Foaming Hand Soap is designed to be inserted into a purpose made holder, attached to the basin area inside aircraft lavatories.

DIRECTIONS FOR USE

Soap: To use apply evenly over your hands, moisten with water, lather and rinse well.
