

TECHNICAL DATA SHEET

ROX[®] 250 AG

Power Steering Flush

DESCRIPTION

ROX[®] 250 AG contains a special formulation that helps clean and prepare a power steering system for a new power steering fluid.

FEATURES & BENEFITS

- Cleans power steering Hydraulic oil Systems

DIRECTIONS FOR USE

If necessary, drain some power steering fluid from the reservoir and add the contents of the bottle to the reservoir, with the engine off. Then run the engine for 5 - 10 minutes, turning the steering wheel left to right several times. Drain the power steering liquid and refill to the correct level with the new fluid.

PHYSICAL PROPERTIES

Density @ 20°C: 0.86 - 0.87 gms/ml

Appearance: Brown liquid

Transparency: Clear
