Aircraft Exterior Cleaners

CH511C

Versatile Super Concentrated Aircraft Exterior Cleaner

- Alkaline **water based** concentrated cleaner for wet wash.
- Dilutable with water or water-miscible solvents.
- Adjustable dilution 1:2 to 1:20, allowing for all cleaning applications.
- Possible hand dry wash with higher dilution 1:40 rate.
- For use on all metal and painted exterior surfaces.
- Also suitable for landing gears, wheel wells, wing flaps.
- Removes efficiently carbon and exhaust deposits.
- Non-streaking, non-staining, non-flammable.
- Contains no Ammonia or Phosphates.
- **Biodegradable formulation.**

Certification	Item Code	Packaging
AMS 1526 AMS1530 AMS 1550 Boeing D6-17487 Boeing D6-7127 Douglas CSD No. 1 Type 1	2525/51 2525/64	20L 200L

Available: Globally

CH087

Heavy Duty Economical Concentrate Aircraft Exterior Cleaner

- Alkaline **water based** economical cleaner for wet wash.
- Application by spraying, foaming, or brushing.
- Dilutable with water or water-miscible solvents.
- Dilutions 1:1 to 1:10 for heavy duty to general cleaning with rinsing.
- Designed to give optimum brightness, cleaning, degreasing of all painted and unpainted surfaces and components.
- Non-streaking, non-staining, non-flammable.
- Contains no Ammonia or Phosphates.

Certification	Item Code	Packaging
BSS 7432 Boeing D6-7127 Douglas CSD No. 1, Type 1 AMS 1526 AMS 1550 AMS 1530	2520/51 2520/64	20L 200L

Available: Globally

CH8000

Heavy Duty Dry Aircraft Exterior Cleaner

- Unique dry wash heavy duty cleaner based on an **emulsifiable solvent** and biodegradable surfactant system.
- Waterless cleaning and degreasing of all exterior surfaces of the aircraft.
- Will break and remove heavy oil and smoke trail deposits associated with the landing gear and engine exhaust areas of aircrafts.
- Dilution 1:1 to 1:8 depending upon soil.
- Easy application by spraying, brushing, or wiping. Clings to the surface.
- Short dwell-time and minimal agitation requirements.
- High gloss with no streaking. Non-flammable.
- Contains no ammonia or phosphates.
- **Biodegradable formulation.**

Certification	Item Code	Packaging
D6-17487 BSS 7432 AMS 1526	2515/51 2515/64	20L 200L

Available: Globally

Aeroglaze

Dry Wash Aircraft Cleaner & Polish

- **Solvent based** 2-in-1 ready-to-use dry wash cleaner & polish.
- Safe to use on all aircraft exterior surfaces. No water required.
- Excellent cleaning and degreasing with no dust residues.
- Formulated to give optimum brightness and protection.
- Does not cause any abrasive damage on painted or unpainted surfaces. No paint dulling, does not contain abrasives.
- Easy application and removal, even with high humidity or cold.
- Contains no ammonia or phosphates.
- Non-flammable
- **Biodegradable formulation.**

Certification	Item Code	Packaging
Douglas CSD 1 -Type V Boeing D6-17487 AMS 1650B	2700/51 2700/64	20L 200L

Available: Globally
